

The more often teenagers eat dinner with their families, the less likely they are to smoke, drink or use illegal drugs.

That's the reason the National Center on Addiction and Substance Abuse (CASA) at Columbia University conceived **Family Day** *A Day to Eat Dinner with Your Children*, now in its ninth year.

The Troy Community Coalition and local merchants invite you to celebrate Family Day 2009 in Troy on Monday, September 28

Bring this flyer to participating locations for these exciting offers!
One discount per family, per visit.
